

WLAN @ CCH

Our high-speed network for your convenience! Leading-edge technology and reliable services – we are proud to offer both. You and your team have several Wi-Fi options to choose from. Your contract includes our free “WLAN Basic” Wi-Fi service. As an alternative, you may use our paid services which satisfy even the highest demands and fulfill your individual needs.

Basic WLAN

Free Wi-Fi 24x7

The new CCH provides you with free, high-availability, Basic Wi-Fi service without any blind spots for the entire duration of your event.

Messaging / E-Mail / browsing / social media

With upload and download speeds of up to 4 Mbit/s and a daily data volume of 200 MB per device, your event participants can easily receive e-mail, write messages and use their social media accounts.

3 devices per participant

Our network supports up to three devices per participant (a maximum of 30,000 devices in total) of any type, origin and generation, transmitting at 2.4 or 5 GHz and delivering top quality and stability

Paid Wi-Fi packages for event organizers

High-powered Wi-Fi

Backed by our state-of-the-art fiberglass infrastructure, our special 16 Mbit/s service enables you to meet all your Wi-Fi needs. Whether you need a stable network for your event app, online surveys or a live-streamed event, our trained staff will tailor the right service for you.

Event organizer Wi-Fi

We will put together a custom Wi-Fi package for your internal requirements, whether you need high-stability Wi-Fi in your event manager's office or at the registration desk. Use our private event organizer Wi-Fi service to interconnect your devices.

Want to personalize your Wi-Fi for your participants?

We can arrange a custom portal landing page for you and give you up to four SSIDs and passwords for use in all the spaces you rent.

Controlling & Reports

Get detailed reports on your participants' Wi-Fi use during or at the end of your event.
